

WEBSITE DESIGN UPDATED

You have already noticed that the Kingsfield website has been redesigned, resulting in a less cluttered front page. Some of the information on the previous front page now resides on the “About Kingsfield” page.

DIRECTORY UPDATED

The directory of homeowners was updated December 17. Welcome to our new neighbors, Michael and Christina Wentz.

WINTER SNOW REMINDER

Homeowners are reminded to move vehicles parked on driveways to the overflow parking areas when it snows this winter. After driveways are cleared, vehicles should be moved back to the driveways so the overflow parking areas can be plowed.
